Construction Underway On Our Extension Project

CS Carpentry and Construction have been hard at work on our expansion here on College Road - getting the groundwork layed to really start getting this thing underway which is fantastic.

We'll be keeping people up-to-date on our social media channels - so stay tuned to see how the project continues to develop and expand.

Mental Health Awareness Week (MHAW)

We were delighted to partner up with Fremlin Walk and local artist and fundraising Bobby from BlckTides to deliver special 'Coping with Stress' workshops in Maidstone for Mental Health Awareness Week 2018.

This was a fantastic opportunity to interact with members of the public, raise the profile of the work that Mind do in the local area, but also to actually deliver help and support to people who may not have been comfortable coming along to a more set group environment. It was a fantastic opportunity - and it was an absolute pleasure working with partners to make a real difference.

MHAW 2018 - Kent County Council Finance Department Fundraiser

In addition to our activites with Fremlin Walk for MHAW 2018, we were lucky to have several organisations and individuals work with us to not only raise awareness - but to also raise funds for our charity too.

Greg, Yasmin and Lisa from Kent County Council were kind enough to fundraise for our organisation - raising £410 through activities at the KCC Finance Department offices. You can see Greg and Yasmin pictured above with Julie - and we wanted to take a moment to thank them for their wonderful effort fundraising for us.

You Don't Have To Be Mad To Work Here (But It Helps) Performance in Canterbury

We were lucky enough to be invited to attend a Mental Health Performance in Canterbury in June. You Don't Have To Be Mad To Work Here (But It Helps) was a fabulous performance which shared real, lived experience with mental health in a powerful and compelling manner.
