Maidstone
and Mid-Kent

MMK Mind's 50th Anniversary AGM

Our 50th Anniversary AGM recently took place in Maidstone - giving us the opportunity to share the work we have been doing with members of the public, and with our service users and partner organisations.

We saw a fantastic turn out for this year's AGM - with lots of people coming out to celebrate fifty years of offering mental health support right here in Maidstone. It also saw the debut of our new, shorter-format Annual Report - which aims to provide a bite-sized insight into the work which MMK Mind do every day.

Thank you to everyone who came along to celebrate with us - we had a fantastic time. We appreciate our service users and volunteers who took part throughout the meeting in varying capacities, and also appreciate our guest speakers from Kent Search and Rescue and Arriva taking the time to join us.

Please find some photographs from the day on the opposite side of this page.

Filming For Colyer Fergusson

Recently we got to attend a filming session at a hotel in Maidstone - sharing our work ahead of the Colyer Fergusson awards ceremony which we have been invited to in November. Keep an eye on this space to learn more about the awards ceremony once we get to attend it!

Walking Group Gets Underway

Our Walking Group has kicked off - and we are enjoying some of the beautiful sights of Maidstone each week. There are some great walks - from trails along the River Medway, to routes at Mote Park. Come and join us for a walk every Friday afternoon from 2pm at MMK Mind.

Hazel and Co-Op Fundraise For Mind

Hazel and the team at Co-Op Maidstone have been hard at work completing an assortment of different fundraising activities which will benefit Maidstone and Mid-Kent Mind. Check out this delicious cake sale which has been a part of their wonderful fundraising activities!

Gifts From National Mind's CEO

CEO of Mind, Paul Farmer, sent us some generous gifts to mark our 50th Anniversary celebrations in Maidstone. Thank you, Paul, for your continuing hard work to champion Mental Health services!
