

The Mid Kent Mind Round-Up

February 2021

Mid Kent Mind Launched Our First EVER Campaign On CrowdFunder

Mid Kent Mind launched our first CrowdFunder project in February, and the outcome has been incredible - with over £180 pledged to support our Wellbeing Boxes. This means that, at the time of writing this, we are able to provide thirty six more boxes. Fantastic!

Warren Steps Up To Full-Time Work With Mid Kent Mind

Warren, who started with Mid Kent Mind as a volunteer, and has since progressed slowly into more and more work with our organisation, has now joined us as a full-time member of staff! We are excited to have Warren on the team, and look forward to continuing to work with him to support people across our area. Congratulations Warren - well deserved!

Madison Wins TRY ANGLE Award For Community Action

Madison is the Youth Volunteer responsible for our current Wellbeing Boxes - with her and her family working hard behind the scenes to provide them for our clients. We are incredibly excited to share that Madison won one of Kent County Council's TRY ANGLE awards - acknowledging her hard-work, and the difference she has made across the past year.

Well done, Madison!
